

...WŚRÓD 15 JEZIOR

To niewiarygodne, ale prawdziwe:
w granicach Olsztyna leży aż 15 jezior!
Poczuj razem z nami, że woda to życie...

A circular frame containing a misty autumn landscape. In the foreground, several tall, thin reeds with dark, feathery heads lean over the water. The middle ground shows a calm lake reflecting the surrounding trees and the pale sky. The trees are in various stages of autumn, with some showing bright yellow and orange leaves, while others are still green. A thick layer of mist hangs over the water, creating a soft, ethereal atmosphere. The background consists of a dense forest of trees under a clear, light blue sky.

A circular frame containing a sunset over a lake. The sun is a bright yellow-orange orb in the center, with a smaller, dimmer reflection of it on the water's surface below. The sky is a gradient of orange and red, with some light clouds. In the foreground, the dark silhouettes of tall reeds or grasses are visible against the bright background. The overall mood is serene and peaceful.

A circular photograph capturing a serene scene at a lake. A wooden pier, constructed from dark brown planks, extends from the foreground into the water. The pier leads to a small wooden platform with a railing. The water is calm, reflecting the light and the surrounding greenery. A thick layer of mist hangs over the lake, obscuring the distant shoreline. The sky is a pale, hazy white. The entire scene is framed by lush green leaves and branches, some of which are in the foreground, partially obscuring the view. The overall atmosphere is peaceful and quiet.
